

R-2508 COMPLEX FLIGHT ACTIVITY NOTIFICATION

PURPOSE

This form is used to communicate both pre-planned and emergent Land Management Agency flight activity occurring within R-2508 Complex Airspace in concurrence with the R-2508 LOA between the CA State Office, BLM; Pacific Southwest Region, USFS; Sequoia and Kings Canyon NP; Death Valley NP; CALFIRE and the R2508 CCB (Signed 7/5/17). Information in this form is typically relayed to other R-2508 Complex Airspace users through inclusion in the R-2508 Daily Brief Sheet (DBS), and is used to aid R-2508 Airspace Managers in their efforts to identify and mitigate potential airspace conflicts that may arise between known Land Management Agency flight activity and Military flight activity.
