BLM	0	0	0	0	0	1	10			
Significant Events: Fire has worked its way down to control lines in all areas. Isolated areas of fire activity were observed.										
Remarks: Portions of Yosemite National Park remain closed until hazard tree removal is completed. Fire suppression operations are being conducted under a joint delegation of authority from the Sierra National Forest, Yosemite National Park and the Stanislaus National Forest. Burning within the interior of the fire will continue to produce unhealthy conditions that will impact Yosemite National Park and mountain communities down-drainage to the west. The incident base for the Ferguson Fire is at the Ahwahnee Hills Regional Park. An additional spike camp has been established at Badger Pass.										
Suppression Repair Progress: Completed Line, 82Mi, 27%; In Progress, 46Mi, 14%; Need Repair, 192Mi, 60%. Total 320Mi.										
Planned Actions: Continued suppression repair in all divisions. Areas of concern for suppression repair are; Anderson Flat, Foresta, Sunny Medows, Wawona, Badger Pass, Jerseydale and Roundtree Saddle with the latter three receiving the most work at this time.

DOD	0	0	0	0	0	0	1
MN	0	0	0	0	0	0	1
CA	0	0	0	0	0	0	14

Significant Events: **Increased SW winds and lower humidity values continued to help the fire spread within timber stringers in Divisions M/T. Wind speeds were down but short range spotting contributed to moderate fire growth over more sparse vegetation in the higher terrain**

Remarks: **Box #7: No update in acreage due to no IR flight last night.**

Highway 108 has been opened to through traffic but the Clark Fork Road and Forest Road 5N01 remain closed.

The Central Coast IIMT will be transiting command of the fire to a local type 3 team on 8/22 @ 1800 hrs.

Planned Actions: **There is no planned actions overnight due to location of fire that is not safe to work in during darkness.**
