

**ROCKY BASIN  
INCIDENT BUSINESS COMMITTEE**

July 16, 2009

To: Rocky Basin Incident Business Committee  
From: Chair, Rocky Basin Incident Business Committee  
Subject: Change #2 Incident Only Rates - Rocky Basin Chapter 20 Supplement

Below are the **incident only rates** for the equipment that has been solicited under the 2009 Rocky Basin Chapter 20 Supplement. We will not be reissuing the supplement to make these corrections so this letter is the authority to do so on your copy. A third change letter will be coming identifying rates for the equipment which has not been identified.

Incident only sign-ups are for the incident they were signed up under only. Equipment should not be reassigned unless the local unit Dispatch Priority List has been exhausted and a new agreement issued.

---

**RB CH20 Item #4. Bus, Crew Carrying (Incident Only Rate).**
