NOTE TO MAP USERS
No warranty is made by the Bureau of Land Management as to the accuracy, reliability, or completeness of the data layers shown on this map. The official land records of the data providers should be checked for current status on any specific tract of land.

Note: The aerial retardant avoidance area data on this map represents the WRF, not the BLM lands. It does not include the data representing the 300 foot buffer of hydrographic features that prohibits retardant use on the WRF as well.
