This product is intended to be used as a aviation hazard map and should not be used for navigation or analysis. Every effort has been made to find hazards, but the map does not represent all hazards that will be encountered. This product is reproduced from geospatial information prepared by the U.S. Department of Agriculture, Forest Service. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace, GIS products "based on new uncertainties, new or revised information, and if necessary in conjunction with other federal, state or local public agencies or the public in general as required by policy or regulation. Previous recipients of the products may not be notified unless required by policy or regulation". For more information, contact the Pike and San Isabel National Forests, Comanche and Cimarron National Grasslands Supervisor Office at (719) 553-1400.
