The following assumptions are:

1. Units with qualified AAs present will continue to process local 2A authorizations.
2. The on-call rotation will be utilized for absent Agency Administrators.
3. AA (T) are encouraged to be Liaisons between RXB3, AA, and Dispatch (forwarding 2A authorization) for training and/or RXB3 focusing on implementation.
4. Changes to AA on-call status will need to be communicated to dispatch. In turn, dispatch will keep an updated schedule at WEBSITE Hyperlink
