

Pikes Peak Ranger District

2019 Fire Refresher and Work Capacity Test

The Pikes Peak Ranger District will have three sessions for this year's RT-130 fire refresher and Work Capacity Test (Pack Test).

If you are unable to attend any of the dates listed below, the Pueblo Interagency Dispatch website will have listings for additional pack test and refreshers at other locations listed on their web page.

If you plan on attending the refresher and will need the fire shelter deployment training please bring line gear, gloves, and hardhat. If you do not have nomex, bring a long sleeve shirt and pants appropriate for deploying a fire shelter.

If interested in attending one of the classes and pack test please contact Michael Wicks at: Mike Wicks – 719-225-0755, michaeltwicks@fs.fed.us
