

ICS-300: Intermediate ICS (FEMA E0300)

Tuition for students from non-sponsoring units: \$180

Course Description:

This course provides training for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in the ICS 100 and ICS 200 courses.

Course Objectives:

- Describe how the National Incident Management System (NIMS) Command and Management component supports the management of expanding incidents.
- Describe the Incident/Event Management process for supervisors and expanding incidents as prescribed by the Incident Command System (ICS) .
- Implement the Incident Management process on a simulated Type 3 incident.
- Develop an Incident Action Plan for a simulated incident.

Target Group: Personnel seeking qualifications requiring completion of ICS-300.

Course Prerequisites: Completion of ICS-100, ICS-200, IS-700 & IS-800. Experience using concepts and principles from ICS-100 and ICS-200 in a response or exercise is recommended.
