ICS-400: Advanced ICS (FEMA E0400)

Tuition for students from non-sponsoring units: $120

Course Description:
This course provides training for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in the ICS 100 through ICS 300 courses, which are prerequisites for the ICS 400 course.

Course Objectives:
• Explain how major incidents engender special management challenges.
• Describe the circumstances in which an Area Command is established.
•Describe the circumstances in which Multi-Agency Coordination Systems are established.

Target Group: Personnel seeking qualifications requiring completion of ICS-400.

Course Prerequisites: Completion of ICS-100, ICS-200, ICS-300 (E0300), IS-700 & IS-800. Experience using concepts and principles from ICS-100, ICS-200, & ICS-300 in an operational environment is recommended.
