

N-9062: e-ISuite

Tuition for students from non-sponsoring units: \$180

Course Description:

This course is designed to expose a user to the basic application functions of each of the e-ISuite modules including: Resources, Demob, Cost, Time, and Incident Action Plan. These application modules are used within the Plans and Finance sections of a management team and functional knowledge of applicable modules is required to accomplish position responsibilities within those sections.

**The full course is four days. Two identical sessions are being offered.
Students should choose one of the two sessions.**

Course Objectives:

Prepare students to work as a Status Check in Recorder, Resource Unit Leader, Demobilization Unit Leader, Personnel Time Recorder, Equipment Time Recorder, and/or Cost Unit Leader using e-ISuite.

Course Recommendations:

ICS-100, ICS-200 and good computer skills using Windows; and

S-260 and S-261 for those working in the Finance Section; or

S-248 for those working in the Planning Section.
