

S-372, Helicopter Management

2009 Tuition for students from non-sponsoring units: \$240

35.5 – 39.5 hours

Course Description

This course prepares students to perform the job of Helicopter Manager (HMGB). Unit lectures supported by slides and graphics are designed to facilitate class discussion and group exercises. The final exercise gives students a realistic Helicopter Manager experience; in addition to answering test questions, the student completes necessary forms required by the position.

Objective

- Perform the tasks required of a Helicopter Manager (HMGB) trainee. Through simulation and exercises, students obtain the skill to competently and safely manage a helicopter to support incident and project helicopter operations.

Course Components and Hours to Complete
