IARR DAILY CREW REPORT

Tampa Module #1

MESSAGE:

FL-ST-03 was assigned to patrol and secure existing lines. B. Loth continues to stage nearby.

AL-MA-01 was assigned to patrol and secure existing lines.

FL-ST-02 assisted in a successful burnout operation yesterday. Depending on today's recon flights, an additional burnout operation may occur today. IARR Berens attended the morning briefing and later traveled to the Toponce Creek Fire to check in with AL-MA-01.

GA-ST and PR-MA are conducting line improvement in preparation for a potential burnout operation. They were also assigned to patrol and secure existing lines. J. Lowe and C. Pierce continue to stage nearby. IARR (t) Hunter will stage in Idaho Falls, ID.
