2021 SOUTHERN AREA INTERAGENCY PRESCRIBED FIRE TRAINING
RT-300 BURN BOSS & AGENCY ADMINISTRATOR

The RT-300 Postponed until November 2021! The RT-300 Steering Committee regrets to inform everyone that the RT-300 Burn Boss and Agency Administrator training that was planned for July 2021 has been rescheduled. The **RT-300 training will now take place from November 29 through December 2, 2021.** The Chattanooga Convention Center will host our event with nearby lodging available. **Travel and "check in" will be November 29th, with instruction beginning November 30th at 0800; classes end Thursday afternoon, December 2nd.**

Our commitment to holding this training speaks to the importance of prescribed fire in general, but especially in the south. We expect to have a full cadre of outstanding presenters and the topics you want to learn about. We encourage everyone that has already registered through the WHOVA app to continue to watch for updates on logistics, class enrollment dates and periodic information updates (your registration is still valid). Those of you that have yet to register please see the information below with links to WHOVA and instructions on registering. We now have over 300 attendees registered on WHOVA and expect that we will meet our goal of 400+ attendees. Reserve your spot now and stay updated with the most recent information.

ENROLLMENT IS NOW OPEN!! Registration identifies your interest in attending and gives us contact information so you can receive event updates. Register online here: https://whova.com/portal/registration/rt_202011

Also download the WHOVA app. WHOVA is an event management app designed to assist with class enrollment, facilitate information sharing, store presentations, and provide social media options among many other features. You will find many uses for the app before, during and after the event including class enrollment. You can download the app here: https://whova.com/web/rt_202011/ When asked for an invitation code use: rt2020

Want to host an information table? Would you or an agency you represent like to staff an information table during our event? A table and chairs can be provided for presenting information (brochures, videos, handouts) helpful to your organization or agency.

Stay tuned for more information on our poster display area for latest prescribed fire projects and research.

We are recruiting the latest technology software and hardware for our Tech Room displays. Have something to share, we'd like to display it! For any questions at all contact: ghcuster@gmail.com.
