

# SOUTHWESTERN REGION CENTRALIZED TEMPORARY HIRING

## 2017 OUTREACH

### The Process and Timeline

See the Outreach Notice listing vacant temporary positions and locations from the GS and WG, 02 through 09 levels. **NOTE: The Southwestern Region will be conducting a Centralized Temporary Hiring process for outreaching, advertising, and selecting temporary positions this year. As such, ALL vacancies listed below will be open simultaneously for 7 days, November 08, 2016 through November 14, 2016. Specific duty location contacts are identified by each National Forest. Multiple positions may be offered at each duty location and interested applicants should contact duty locations for additional information regarding vacancies. When applying for these positions in USAJobs, applicants will be requested to prioritize locations when applying to multiple duty locations for each announcement.**

**Application deadline.** Apply through USAJobs prior to the due date; applicants are encouraged to apply for multiple locations if they are interested. This year applicants that apply to either of the GS-0462-04 or GS-0462-05 Fire Suppression announcements will now have the opportunity to prioritize their interest in specific fire functions.

**Outreach conclusion** – Following the closing date of the individual vacancies below, the announcements will be dropped from this outreach and only those that are either actively open or those that will be open in the future will remain. Once the announcements close, all applications will be reviewed and a certificate with qualified applicants will be generated and delivered to the hiring managers listed below. Subject matter experts will generate reference evaluations for use by selecting officials.

**Selections** – Selection committees will be making selections for the Region beginning in late January 2017 through February 2017. Forest Service representatives will notify selected applicants by email or phone. Applicants not selected will be notified by e-mail. Reporting Dates will be negotiated by the supervisor and selected applicants will be contacted by Human Resource Management with confirmation.
