

# Silver City

## Interagency Hotshot Crew

### Hiring

Silver City IHC seeks intelligent, strong, and diverse people who are interested in working in a dynamic, fast paced environment traveling around the United States assisting in wildland fire management.

- **FY23 outreach** hiring will occur through USAJOBS through a centralized hiring process. Phase 2 has already been completed. **Phase 3 Jobs will be posted in USAJobs September 29<sup>th</sup> – October 6<sup>th</sup>.**
- **[Region 3 - Employment Outreach](#)** (applications will not be accepted after this deadline).

- After the application deadline Subject Matter Experts will generate reference evaluations for use by selecting officials. Selection committees make selections for the region beginning December 12<sup>th</sup> 2022 – Jan. 18<sup>th</sup> 2023. Selected applicants will be notified by email or phone by a Forest Service representative. We seek a diversity of qualifications that demonstrate your knowledge, skills and ability in wildland fire, leadership, forestry work, emergency medical care, and fitness.
- **You must possess a certificate in S-130/S-190/I-100/L-180 and IS-700.** In addition, 1-3 seasons of experience in other wildland fire disciplines is encouraged prior to your applying to a hotshot crew.
- It is strongly encouraged that you call the Superintendent or Asst. Superintendent during summer and early fall if you are interested.
