****Determine if Rangers will be in the area prior to working if possible****

Arizona
Bureau of Land Management

BUREAU OF LAND MANAGEMENT

*BE AWARE THAT YOU ARE IN BORDER
AREAS OF SAFETY CONCERN
BE CAUTIOUS OF FOLLOWING:*

1. High speed driving/law enforcement pursuits
2. Language barriers increase risks
3. Risk of contact with unknown personnel
4. Radio and cell phone 'dead spots'
5. Unknown personnel in vehicles/on foot
6. Use only trained responses
7. Unattended BLM vehicles are at risk
8. Vehicles found unattended
9. Biological hazards may be present
10. Know where you are/describe your location
11. Let supervisor or dispatch know your trip plan
12. Expect the unexpected!

INTERNATIONAL BORDER WATCHOUTS

1. No communication link with others, dispatch, and/or law enforcement
2. Working in a Law Enforcement Area of Concern
3. Armed confrontations either by law enforcement and/or illegal entrants
4. Small or large groups of people being transported either on foot or in a vehicle
5. Accidental witnessing of drug deals and drug transportation
6. High-speed driving and law enforcement pursuits in your work areas
7. Aircraft trying to avoid detection and frequent law enforcement aircraft operations due to these illegal activities
8. Historical, administrative, and cultural sites that have been vandalized and broken into

9. Locks and fences deliberately knocked down or cut
10. Large numbers of footprints – these may be headed to your work area
11. Abandoned vehicles either intact or set on fire
12. Wildfires caused by abandoned warming and cooking fires
13. Individuals that appear ill
14. Trash and high concentrations of human fecal material in heavily used illegal entrants staging areas and routes
15. Methamphetamine labs either occupied or abandoned and chemical dumping
16. Marijuana fields protected by growers
17. Working alone and/or working at night
18. Leaving your BLM vehicle unattended
