

Attach #2 04/01/14

**SW MAC Group Call
Incident Commander Reporting Format**

Date: **Name of Incident:**

IC Update

- Fire Intelligence
 - Size
 - General area
 - Jurisdiction
 - Containment %
 - Estimated Containment Date
- Values at Risk (time frames & distances)
 - Communities
 - Structures
 - Infrastructure
 - Historic, Cultural, Natural Resources
- Incident strategies being implemented, and/or unusual significant tactics
- Issues or problem areas
- Major Accomplishments
- Update on Plans (evacuation, rehab, demob)
- Accident/Injury/Illness summary (How long would it take to get a critically injured FF on an isolated area in the fire to a medical facility?) – Not an everyday report; just startup consideration and when new areas get involved.
- Planned Community Meetings
- Socio-political Issues?
- Critical Needs with justification, and length of time needed
