GREAT BASIN MOBILIZATION GUIDE

PREFACE

The Great Basin Mobilization Guide identifies established standards and procedures that guide the operation of the Great Basin Area Multi-Agency logistical incident dispatch/coordination activities. The guide is a supplement to the National Mobilization Guide, and shall be considered current and applicable until amended. Dispatch Centers shall supplement the Area Guide as necessary.

Units should provide accurate information in a timely manner to the Great Basin Interagency Coordination Centers (EGBCC and WGBCC) through normal channels by the dates specified. The goal is to complete and distribute the Great Basin Mobilization Guide each year before the onset of fire season.

Please review each chapter of the Great Basin Mobilization Guide carefully and be sure to submit all information pertaining to your unit or area of expertise.

Through appropriate dispatch channels, local centers and units should provide Eastern Great Basin and/or Western Great Basin Coordination Centers with the following information prior to the designated due dates.

Second Week of January - Local Dispatch Centers consolidate and forward comments and suggestions for Chapter 10, 20, 30, 60, 70, and 80 of the Great Basin Mobilization Guide to the Western Great Basin Coordination Center.

Third Week of January - Geographical Coordination Centers consolidate comments and suggestions from local Dispatch Centers and forward to the Great Basin Dispatch Steering Committee for review.

Second Week of February - Great Basin Dispatch Steering Committee disseminates proposed Mobilization Guide changes to the WGBCC for review.

Third Week of February - Local Dispatch Centers consolidate and forward comments and changes for Chapter 40 and 50 of the Great Basin Mobilization Guide to WGBCC.

First Week of March - WGBCC forwards the change proposals to the Great Basin Coordinating Group for approval.

Second Week of March - WGBCC takes the revised Great Basin Mobilization Guide to the publisher for printing.

First Week of April - Great Basin Mobilization Guide is disseminated to Local Dispatch Centers and Units.

* Schedule may be adjusted pending release of National Mobilization Guide.

It is every unit's responsibility to ensure the information submitted is correct and final before it is submitted to the Coordination Centers for publishing. Any unit failing to submit information by the specified due date risks not having their information published in the Great Basin Mobilization Guide.

If you have any questions or comments, please contact your Great Basin Coordination Center.

Note: The Western Great Basin Coordination Center is responsible for publishing the Great Basin Mobilization Guide.
