### Appropriate attire

Our office is in a professional office building. To maintain a professional atmosphere, we request that visitors and detailers wear casual office-style apparel. The temperature setting for the entire building is set on a computer and it is difficult to keep the temperature comfortable for everyone. We recommend that you bring a sweater or light jacket to ensure your comfort.

### Nearby Hotels

Confirm the nightly rate is at or below the maximum allowable rate ([www.gsa.gov/travel-resources](http://www.gsa.gov/travel-resources)) before reserving a room. We recommend checking for the “best available rate” because it may be lower than the hotel’s “government rate.”

### Rental Cars

Not every detailer will be authorized for a rental car while here. If you are on a resource order, double-check with your dispatch center before making a rental car reservation. Of course, you may choose to rent a car **at your own expense**.

Even if you are authorized for a rental car, we recommend taking MARTA – if you will be arriving before 8 PM – or a shuttle van to avoid having to drive through downtown Atlanta traffic. (Be aware that most shuttle vans make their last run from the airport at 11 PM.) It is possible to pick up a rental car from a nearby Avis or Enterprise office after you arrive.

### MARTA (Rapid Transit) directions

MARTA costs \$2.50\* for a single trip to take you anywhere on the MARTA rail or bus line. To take the MARTA train, follow the signs to the Main Terminal and Baggage Claim. Claim your bags and then look for the signs to MARTA. (A MARTA station is located within the airport building.) \*There is a \$1.00 fee for single-ride passes, or you can pay \$2 for a reloadable [silver] Breeze Pass card.

**Note regarding late arrivals:** SACC recommends not using MARTA if your plane will arrive at the airport after 8 PM. If it is after 9 PM when you board MARTA, only the Doraville train (Gold Line) will be running from the airport. You will have to transfer from the Doraville train to the North Springs train at the Lindbergh Station.

1. Take the escalator or elevator up to the MARTA platform. Look for the *North Springs* train (Red Line) – do not get on the *Doraville* train (unless after 9 PM). Ride the *North Springs* train to the Sandy Springs MARTA Station. The trip takes 45 minutes from Hartsfield-Jackson International Airport. Go to [www.itsmarta.com](http://www.itsmarta.com) for more information about MARTA and to check the latest schedule information.

2. From the Dunwoody MARTA station, you can get to **your hotel** by:
  - Calling your hotel and asking to be picked up by the hotel's van.
  - Taking a short taxi ride to your hotel (minimum fare is \$10.00)
3. From the Dunwoody MARTA station, you can get to **SACC or SAOTC** by:
  - Taking a short taxi ride (minimum fare is \$10.00); tell your driver to:
  - Go to Ashford Dunwoody Road, turn left, and go north to Ashwood Parkway.
  - Turn left (west) on Ashwood Parkway and continue west past the pond.
